#### Advising Notes

1. Students must maintain the minimum GPA requirements to maintain enrollment in the Pre-Nursing/Pre-Health program. Students who no longer meet minimum requirements may be moved to the undeclared major.
2. A grade of C or higher in all required coursework is necessary for successful completion of the major. Any course required as a prerequisite must be completed with a grade of C or better before registration in subsequent courses.
3. CR/NC grading is not permitted in courses for the Nursing major, except in those courses which are designated CR/NC grading only.
4. Students pursuing admission into the BSN program are highly encouraged to complete additional coursework towards a second major, minor, or certificate program. Consult the Fresno State catalog for options.
