Total Units Required in General Education	49 units

Advising Notes

1. Students who are English category III or IV and taking ENGL 5A and 5B should take GE C2 during their third semester.
2. During Semester 3 students will apply to their top 2 majors of the 4 options. Students will be notified of acceptance prior to registration for the Spring semester.
3. GE courses should be taken in anticipation of the preferred major. Courses taken within Pre-Health may be used toward general education requirements or a minor.
4. The completion of all Pre-Health required courses and a minimum cumulative GPA of 3.0 is required to maintain enrollment in the Pre-Health major. Students who do not meet these requirements will be transitioned to undeclared.

Advising Notes

1. Students interested in Athletic Training or Physical Therapy should consult the respective department for program advising, additional admission criteria, and equivalent pre-requisites.
2. A grade of C or higher in all required coursework is necessary for successful completion of the major. Any course required as a prerequisite must be completed with a grade of C or better before registration in the subsequent courses
3. CR/NC grading is not permitted in courses for the kinesiology major, except in those courses which are designated CR/NC grading only.
4. Courses taken within the Kinesiology major may be used toward general education requirements, a minor (see departmental minors) or a supplemental credential. Consult the appropriate department for further information.
5. Students majoring in kinesiology may count a maximum of 12 units of activity courses (ATHL, KAC, DANCE) toward the 120 units required for a bachelor's degree. Repeat credit towards the major is not allowed in these courses.

2020-2021 GENERAL EDUCATION (G.E.) REQUIREMENTS

NOTES: **A minimum of 49 G.E. units are required.** All classes are three or more semester units.

Engineering and Liberal Studies majors complete a different G.E. pattern--consult department advisor.
