

COMMUNICATIVE SCIENCES
Speech Pathology Option, B.A. (120 Units)
 Valid for Catalog Years: 2021/2022 to Current

Speech Pathology Pre-Requisite Requirements	12 Units □
--	-------------------

- CSDS 80: Introduction to Human Communication and Disorders (3) _____
- CSDS 95: Introduction to Speech and Language Development (3) _____
- CSDS 101: Phonetics of American English (3) _____
- CSDS 102: Anatomy and Physiology of the Speech Hearing Mechanisms (3) _____

Speech Pathology Upper Division Requirements	15 Units □
---	-------------------

- CSDS 105: Speech Sound Disorders in Children (*Pre-Requisite*: CSDS 80, CSDS 95, CSDS 101, and CSDS 102) (3) _____
- CSDS 109: Disorders of Language (*Pre-Requisite*: CSDS 80, CSDS 95, CSDS 101, and CSDS 102) (3) (**SPRING ONLY**) _____
- CSDS 115: Disorders of Fluency and Voice (*Pre-Requisite*: CSDS 80, CSDS 95, CSDS 101, and CSDS 102) (3) (**FALL ONLY**) _____
- CSDS 117: Behavioral Principles in Assessing and Treating Communicative Disorders
 (*Pre-Requisite*: CSDS 80, CSDS 95, CSDS 101, and CSDS 102) (**FALL ONLY**) (3) _____
- CSDS 172: Neural Bases of Speech, Language, and Hearing
 (*Pre-Requisite*: CSDS 80, CSDS 95, CSDS 101, and CSDS 102) (**SPRING ONLY**) (3) _____

Speech Pathology General Requirements	20-24 Units □
--	----------------------

- CSDS 91: American Sign Language I (3) _____
- CSDS 103: Speech and Hearing Science (3) (**FALL ONLY**) _____
- CSDS 110: Diagnostic Procedures (*Pre-Requisite*: CSDS 80, 95, 101, 102 and 105) (Co-Requisite: CSDS 107) (3) _____
- AND** CSDS 107: Observation in Communicative Disorders and Deaf Studies: Speech Language Pathology (1-3) _____
- CSDS 114: Education of Exceptional Children (3) _____
- CSDS 116: Treatment Procedures in Communicative Disorders
 (*Pre-Requisites*: CSDS 105 or CSDS 109 or CSDS 115) (**SPRING ONLY**) (3) _____
- CSDS 131: Principles of Audiology (*Pre-Requisite*: CSDS 80, CSDS 95, CSDS 102) (Co-Requisite: CSDS 128) (3) _____
- AND** CSDS 128: Observation in Audiology (1-3) _____

Speech-Language Pathology Additional Graduate Admission Requirements	6-7 Units □
---	--------------------

- Any Statistics Course (MATH 11 Recommended in GE Area B4) _____
- A Physics or Chemistry Course _____

Total Units Required in Major	51 units
Total Units Required in General Education	49 units
Electives needed	14-20 units

Advising Notes

- CR/NC grading is not permitted for CSDS majors for any coursework required in the major, with the exception of clinical courses. (See course descriptions.)
- General Education and elective units may be used toward a double major or minor. Consult the appropriate department chair, program coordinator, or faculty advisor for further information.
- Students in CSDS 110, 162, 163, 164, and other clinical, internship, and student teaching courses are required to show health certification that they are free from tuberculosis and rubella, and to purchase student clinic malpractice insurance for the clinical courses (see the University Speech and Hearing Clinic director for details).
- PSYCH 101 is a required credential course that can also be used as an undergraduate elective.
- A statistics course is a prerequisite to CSDS 200, which is typically taken the first semester of graduate work. It is recommended that students take statistics as an undergraduate elective prior to applying to graduate school.
