

Department of Social Work Education (DSWE)

B.A. Social Work Program Description

Students pursuing a baccalaureate degree in Social Work enter the university as freshman in the Pre-Health Major and as transfers are directly admitted after successful acceptance to the Social Work programs supplemental application. Social Work student cohorts begin the major program every fall semester.

Prerequisites for Entry into the B.A. Social Work Program

Students majoring in Social Work must successfully complete the Social Work admission requirements as a Pre-Health major applicant or transfer applicant prior to enrollment in restricted and sequenced 100-level Social Work courses. Social Work major change and enrollment in first semester course sequence is contingent upon satisfactory fulfillment of these requirements, successful application and capacity. **NOTE: 90 units must be earned before enrolling in SWRK 181 (Field 1)**

Social Work Major Course Prerequisites (Effective Academic Year 2013-2014):
