CCASSC Directors' Meeting
February 26, 2021
12-1

1. Race, Equity Workgroup Discussion/Update. Anita Ortiz, Deborah Martinez
2. County multiagency juvenile justice coordinating council to develop the local plan (SB 823).
3. Counties who have whole person care internally have resources? Does APS Training translate/can it be purchased?
4. Long Term Teleworking – what are counties doing?
5. ILP/COVID – What are counties doing for classes and services for ILP, Employment and Trainings, and Home visiting. Has anyone figured out how to ‘virtualize” services well? For those close to Kings, any vendors that they have worked with that were good?
6. ETS – Kings considering outsourcing workshops? Also started Financial Literacy classes. Looking for recommendations, vendors and service mode conversions that have worked for these populations?
7. Shelter Operations – Kings are any counties in charge or connected sufficiently to shelter operations that Kings can visit/tour and get some info on ongoing expenses and how they are covered. Looking at unlimited shelter/center operations; not permanent housing.
