

10/28/13 - Katie A. Statewide Learning Collaborative Convening

Central Region Learning Collaborative Work Plan

Top Five Work Areas That Have Been Prioritized

1. Training
2. Tracking in CWS/CMS
3. Performance Outcome Measures - (standardizing)
4. Out of County Placements
5. Involvement of Families

What Statewide Support and Decisions or Resolutions are Needed (if any) for each of the five priority areas? What Training & Technical Assistance are needed (if any) for each of the top five priorities?

1. Training Materials:

- Training Guides
- Expand Katie A website by regions to share
- (single point of contact)

2. Tracking in CWS/CMS

- issues related to confidentiality
- Legal counsel advised by counties
- (court process used)
- what workgroups, etc. exist @ CDSS

3. Out of County Placements:

- Responsibility of ICC?
- Sharing, direction from state
- Getting some state consistency on practice with sub-class in different counties

-Baseline expectation for children / youth as they move from county to county

-State definition to provide consistency

4. Performance Outcome Measures:

- What is the vision?

- If too many committees, have them consolidate

-Share what the statewide groups are doing that impacts the Learning Collaborative work in process - ability for LC's to provide feedback into other statewide processes

5. Involvement of Families:

- What is successful in other counties?

- What is wanted /needed from families & how to support families for their involvement in process?

-

Indicate the structure that you have decided for your regional learning sessions (je.g. meetings, webinars, & other communication strategies between counties in the region)

- Santa Barbara to host 1st meeting

- Send doodle to set 1st meeting & set priority dates for follow up calls/webinars

Communication strategies:

-CCTA /CCASSC Website &

-Dropbox to share regional documents
