

Minutes
Training Advisory Group
September 20, 2022 @ 1:00

1. Present:

Dalvin Baker	Maria Bermudez	David Foster
Cindy Friesen	Vianey Moreno	Danny Morris
Joey Nunes	Courtney Sallam	Andrew Victorio
Kelly Woodard		

2. Introductions/Updates – David Foster
Approved minutes by those in attendance last time. Discussed fourteen million training support money. RTAs have supported recommendations on how to spend money. Seven million last year and this year, one time money. Cannot be allocated directly to the counties. It can be added to RTA contracts. This is the second year; goal is to total of fourteen million. Central region has a coaching program their proposal. Looking at coaching supervisors for all twelve counties. Hard to simply put this together. Needs planning, implementation science tools being used. Recruiting coaches. Ventura County uses a FBT model. SOP is another potential focus area.

3. Danny Morris – Training Updates
Everyone is challenged in the workforce. Hard to have lasting and meaningful results. David Foster discussed coaching model, and the goal that this will meet county needs. Courtney/Danny this is an immense help with SOP/SDM.

4. Asilomar – continued from last meeting – David Foster
Discussed the conference. Inter-mediary (IO) were discussed. Using the RTAs as true partners; helping with the shift at the state level. Andrea Sobrado, at CFPIC is helping in implementation.

5. Workforce Development – Group

Andrew mentioned high quality training videos. Currently there is not a library. David will discuss with other RTAs. Los Angeles and Utah have done a lot of simulation work. APS simulation has been highly effective. Discussion about “once in” must be all in. Accenture is marketing simulation. Approach is becoming costly.

Courtney brought up field-based trainers. Ventura still uses this model. Ventura pays salary of field-based trainers. David, the region is not doing now. Discussion about spending money quickly and this may be an approach.

Action: Invite a representative to upcoming TAG meeting. Kelly and David.

6. Data Collection
CCASSC is next week. As agreed, David and Kelly will sill discuss stay interviews at this meeting.

7. Fiscal Training Update

The academy is working with the region on fiscal training; online, webinar and in person. Stacey Sandoval and Atonya Moore are going to assist in initial trainings. The initial phase will be discussed with the regional directors at CCASSC next week. More to come

8. Upcoming CCASSC meeting

Adult Welfare Focus is the focus of next week's CCASSC meeting. The work of this group is on the agenda, two focus areas include stay interviews and fiscal.

Next meeting: October 18, 2022. Meets 3rd Tuesday of each month at 1.
