

# SPEECH, LANGUAGE, AND HEARING CLINIC

## DONATIONS NEEDED!

Due to rules imposed by changes in national regulations, our clinic can no longer request fees for clinical services. We must rely solely on client and community donations to remain operational. The donations given by the clients in our clinic will fund the numerous materials, supplies, maintenance, and technology our clinic needs to remain operational.

Donations will go towards funding the following critical expenses each semester:

- Interpreting \$100
- Books \$300
- Technology \$600
- Clinic office supplies \$1100
- Testing kits \$1600
- Testing Protocols \$3800
- Speech Clinic supplies \$1200
- Equipment Calibration \$1200

You can donate by scanning the QR Code.

We also accept cash, checks, or money orders in any amount. Please make checks payable to:
