

## **Advising Notes for PETE**

1. Students enrolled in the PETE must confer with the department's physical education option adviser during every semester they are enrolled in the program.
2. Students in the PETE must maintain a grade point average of 3.0 (GPA) in all blended physical education option courses (32 units + core of 17 units). If the student falls below 3.0 GPA in the PETE for two consecutive semesters, he/she will be automatically disqualified. A student that achieves a GPA of 3.0 or higher fulfills Subject Matter Competency (SMC) and therefore is exempt from taking the California Subject Examinations for Teachers (CSET). Verification of SMC and recommendation for admission into the professional preparation program are the responsibility of the department credential adviser.
3. Transfer students must see the department's program adviser regarding an accelerated three-year program.
4. Students must apply and be admitted to the Kremen School of Education and Human Development (Credential Program) during Year 3 - Semester 5 of the PETE.
5. Students must also maintain a GPA of 3.0 or higher throughout their credential coursework (Kremen School of Education requirement).
6. Students may be able to double count KINES 32 with Core and General Education Area E.
7. PETE majors are required to take KAC 103 as the activity component with KINES 32.
8. Students are required to maintain current certification for Adult/Child CPR and First Aid.
