Graduation Requirements Summary

Minimum Total Units	Minimum Upper-	Minimum Core Units	Writing Component	Minimum	
				Major GPA	Overall GPA
120	40	57	Exam or Course	2.00	2.00

It is your responsibility to monitor the total number of units you have accrued. In many cases, courses may count as fulfilling several requirements. They will not however be counted more than once in the overall total required to graduate. All classes for the core, major, and additional requirements must be taken for a letter grade.
