Dear Dr. Lankford:

The Council on Accreditation of Parks, Recreation, Tourism and Related Professions (COAPRT) recently met to review the COAPRT Annual Progress Reports. The Council is sharing a friendly reminder to all programs that data points are required, and all programs must develop a method for collecting and reporting data for the annual reports.

Also, each program's annual report(s) are displayed on the COAPRT [accredited programs' directory](#) for public access. It is required that the unique link(s) provided below are also displayed on your program's website for public access. **Please be sure to update your program's website with these links as soon as possible (and not later than October 10, 2023) to ensure continued compliance:**
