***Important Note:** Details regarding the NCTRC decision for each session are outlined below. Please note session approvals and session denials, as well as important notes for each and next steps.

Additional NCTRC Services available for Continuing Education session content that has been pre-approved:

Information about [NCTRC Ala Carte Promotional Toolkit](#)

NCTRC understands that communicating about continuing education opportunities in an ever-expanding online marketplace can be challenging. That is why we have expanded NCTRC promotional tools for continuing education providers, including e-Blast; calendar listings; and more! Complete the [NCTRC Ala Carte Promotional Tools Request Form](#) to add an NCTRC promotional tool to your pre-approved continuing education content.

[Information about Micro-Credentials and NCTRC Co-Branded Digital Badges](#)

We want to make you aware that NCTRC has partnered with digital badging provider, [Credly](#), to offer organizational continuing education providers the opportunity to offer micro-credentials and their associated digital badges which are co-branded with NCTRC.

- Continuing education providers who choose to apply for and receive a NCTRC co-branded micro-credential & digital badge will empower earners with greater marketing potential.
- A digital badge is a trusted method for real-time verification, automatically linking the continuing education session content back to you - the continuing education provider.
