Terms of In Agency Field Placement for Fresno State BA and MSW Students

As a student in the Department of Social Work Education at Fresno State, I have read and understand the Policies and Procedures for Use of Student Employment Site as a Field Practicum Setting.

As an employee interested in the possibility of completing my required field internship(s) at my agency of employment, I understand that I must apply to be approved for this agreement. Approval is required from the employment agency and the Field Coordinator. University approval will be based on compliance with the Department of Social Work Education’s field education policies and procedures.

Given that students must have cleared probationary status in their current work assignment to be eligible for an agency placement, I understand that new employee (less than one year), newly promoted employees, or employees wishing to apply for promotion while in field placement, will not meet the requirements for in agency placement. Any request for an exception to this policy must be discussed with the employer and the Field Coordinator in advance. Exceptions will be made only for very strong and educationally sound reasons. Final approval of an exception is rendered by the Field Coordinator.

The signatures below indicate agreement with the terms of this proposal and an understanding that the arrangements agreed upon may not be changed without advanced approval from both the agency and the Field Coordinator.
