Brief Explanation:

II. Discuss the reasons for requesting that the Department of Social Work Education permit you to register for the identified course(s) without first meeting the eligibility criteria.

III. Outline your proposed plan for meeting the missing criterion/criteria. You must develop a feasible plan to fulfill the criterion/criteria in the next semester in which the necessary course(s) is offered; this may require taking course(s) during summer session.

Note: If this petition is accepted, this contract must be finalized with the BA Coordinator and/or Field Coordinator as relevant.

I understand that if I do not follow this plan to successfully fulfill the criteria listed above, I may be administratively dropped from the course(s) I seek permission to take and progress toward my degree will be delayed.
