**Catalog Year may affect courses required on DPR*

I have reviewed my DPR with my advisor.

I have met/will meet Swrk 181-I eligibility requirements by the end of the Spring semester:

Student has completed the following prerequisites:	Pending , In Progress (IP), taking over summer (SU) or seek exception to take in fall (FA)
Cumulative GPA of 2.0 All Lower division GE UD Writing Skills 90 units toward BA	Raise GPA to 2.0 Units to approximate 90: UD Writing Skills Course: SWRK 20 123 135 136 160 161 170 Lower division GE A1 A2 A3 B1 B2 B4 C1 C2 C1/2 D1 D2 E F

For students who have course work pending: I understand that I may be allowed to provisionally register for SWRK 181-I (field internship) for the coming fall semester. My continued enrollment in field courses in the fall is contingent on my providing documentation of successful completion of prerequisite courses I have in progress. An exception petition is **required** for requirements that I have agreed to take over the summer or next fall. **If I do not complete prerequisites and do not receive approval for an exception with the Department of Social Work Education, I risk being dropped from fall field and practice courses.**
